*** CALIFORNIA CONSTITUTION - CONS**

ARTICLE XIII A [TAX LIMITATION] [SECTION 1 - SEC. 7] (Article 13A added June 6, 1978, by Prop. 13. Initiative measure.)

SECTION 1. (a) The maximum amount of any ad valorem tax on real property shall not exceed One percent (1%) of the full cash value of such property. The one percent (1%) tax to be collected by the counties and apportioned according to law to the districts within the counties.

(b) The limitation provided for in subdivision (a) shall not apply to ad valorem taxes or special assessments to pay the interest and redemption charges on any of the following:

(1) Indebtedness approved by the voters prior to July 1, 1978.

(2) Bonded indebtedness for the acquisition or improvement of real property approved on or after July 1, 1978, by two-thirds of the votes cast by the voters voting on the proposition.

(3) Bonded indebtedness incurred by a school district, community college district, or county office of education for the construction, reconstruction, rehabilitation, or replacement of school facilities, including the furnishing and equipping of school facilities, or the acquisition or lease of real property for school facilities, approved by 55 percent of the voters of the district or county, as appropriate, voting on the proposition on or after the effective date of the measure adding this paragraph. This paragraph shall apply only if the proposition approved by the voters and resulting in the bonded indebtedness includes all of the following accountability requirements:

(A) A requirement that the proceeds from the sale of the bonds be used only for the purposes specified in Article XIII A, Section 1(b)(3), and not for any other purpose, including teacher and administrator salaries and other school operating expenses.

(B) A list of the specific school facilities projects to be funded and certification that the school district board, community college board, or county office of education has evaluated safety, class size reduction, and information technology needs in developing that list.

(C) A requirement that the school district board, community college board, or county office of education conduct an annual, independent performance audit to ensure that the funds have been expended only on the specific projects listed.

(D) A requirement that the school district board, community college board, or county office of education conduct an annual, independent financial audit of the proceeds from the sale of the bonds until all of those proceeds have been expended for the school facilities projects.

(c) Notwithstanding any other provisions of law or of this Constitution, school districts, community college districts, and county offices of education may levy a 55 percent vote ad valorem tax pursuant to subdivision (b).

(Sec. 1 amended Nov. 7, 2000, by Prop. 39. Initiative measure.)

SEC. 2. (a) The "full cash value" means the county assessor's valuation of real property as shown on the 1975-76 tax bill under "full cash value" or, thereafter, the appraised value of real property when purchased, newly constructed, or a change in ownership has occurred after the 1975 assessment. All real property not already

assessed up to the 1975–76 full cash value may be reassessed to reflect that valuation. For purposes of this section, “newly constructed” does not include real property that is reconstructed after a disaster, as declared by the Governor, where the fair market value of the real property, as reconstructed, is comparable to its fair market value prior to the disaster. For purposes of this section, the term “newly constructed” does not include that portion of an existing structure that consists of the construction or reconstruction of seismic retrofitting components, as defined by the Legislature.

However, the Legislature may provide that, under appropriate circumstances and pursuant to definitions and procedures established by the Legislature, any person over the age of 55 years who resides in property that is eligible for the homeowner’s exemption under subdivision (k) of Section 3 of Article XIII and any implementing legislation may transfer the base year value of the property entitled to exemption, with the adjustments authorized by subdivision (b), to any replacement dwelling of equal or lesser value located within the same county and purchased or newly constructed by that person as his or her principal residence within two years of the sale of the original property. For purposes of this section, “any person over the age of 55 years” includes a married couple one member of which is over the age of 55 years. For purposes of this section, “replacement dwelling” means a building, structure, or other shelter constituting a place of abode, whether real property or personal property, and any land on which it may be situated. For purposes of this section, a two-dwelling unit shall be considered as two separate single-family dwellings. This paragraph shall apply to any replacement dwelling that was purchased or newly constructed on or after November 5, 1986.

In addition, the Legislature may authorize each county board of supervisors, after consultation with the local affected agencies within the county’s boundaries, to adopt an ordinance making the provisions of this subdivision relating to transfer of base year value also applicable to situations in which the replacement dwellings are located in that county and the original properties are located in another county within this State. For purposes of this paragraph, “local affected agency” means any city, special district, school district, or community college district that receives an annual property tax revenue allocation. This paragraph applies to any replacement dwelling that was purchased or newly constructed on or after the date the county adopted the provisions of this subdivision relating to transfer of base year value, but does not apply to any replacement dwelling that was purchased or newly constructed before November 9, 1988.

The Legislature may extend the provisions of this subdivision relating to the transfer of base year values from original properties to replacement dwellings of homeowners over the age of 55 years to severely disabled homeowners, but only with respect to those replacement dwellings purchased or newly constructed on or after the effective date of this paragraph.

(b) The full cash value base may reflect from year to year the inflationary rate not to exceed 2 percent for any given year or reduction as shown in the consumer price index or comparable data for the area under taxing jurisdiction, or may be reduced to reflect substantial damage, destruction, or other factors causing a decline in value.

(c) For purposes of subdivision (a), the Legislature may provide that the term “newly constructed” does not include any of the following:

(1) The construction or addition of any active solar energy system.

(2) The construction or installation of any fire sprinkler system, other fire extinguishing system, fire detection system, or fire-related egress improvement, as defined by the Legislature, that is constructed or installed after the effective date of this paragraph.

(3) The construction, installation, or modification on or after the effective date of this paragraph of any portion or structural component of a single- or multiple-family dwelling that is eligible for the homeowner’s exemption if the construction, installation, or modification is for the purpose of making the dwelling more accessible to a severely disabled person.

(4) The construction, installation, removal, or modification on or after the effective date of this paragraph of any portion or structural component of an existing building or structure if the construction, installation, removal, or modification is for the purpose of making the building more accessible to, or more usable by, a disabled person.

(5) The construction or addition, completed on or after January 1, 2019, of a rain water capture system, as defined by the Legislature.

(d) For purposes of this section, the term "change in ownership" does not include the acquisition of real property as a replacement for comparable property if the person acquiring the real property has been displaced from the property replaced by eminent domain proceedings, by acquisition by a public entity, or governmental action that has resulted in a judgment of inverse condemnation. The real property acquired shall be deemed comparable to the property replaced if it is similar in size, utility, and function, or if it conforms to state regulations defined by the Legislature governing the relocation of persons displaced by governmental actions. This subdivision applies to any property acquired after March 1, 1975, but affects only those assessments of that property that occur after the provisions of this subdivision take effect.

(e) (1) Notwithstanding any other provision of this section, the Legislature shall provide that the base year value of property that is substantially damaged or destroyed by a disaster, as declared by the Governor, may be transferred to comparable property within the same county that is acquired or newly constructed as a replacement for the substantially damaged or destroyed property.

(2) Except as provided in paragraph (3), this subdivision applies to any comparable replacement property acquired or newly constructed on or after July 1, 1985, and to the determination of base year values for the 1985–86 fiscal year and fiscal years thereafter.

(3) In addition to the transfer of base year value of property within the same county that is permitted by paragraph (1), the Legislature may authorize each county board of supervisors to adopt, after consultation with affected local agencies within the county, an ordinance allowing the transfer of the base year value of property that is located within another county in the State and is substantially damaged or destroyed by a disaster, as declared by the Governor, to comparable replacement property of equal or lesser value that is located within the adopting county and is acquired or newly constructed within three years of the substantial damage or destruction of the original property as a replacement for that property. The scope and amount of the benefit provided to a property owner by the transfer of base year value of property pursuant to this paragraph shall not exceed the scope and amount of the benefit provided to a property owner by the transfer of base year value of property pursuant to subdivision (a). For purposes of this paragraph, "affected local agency" means any city, special district, school district, or community college district that receives an annual allocation of ad valorem property tax revenues. This paragraph applies to any comparable replacement property that is acquired or newly constructed as a replacement for property substantially damaged or destroyed by a disaster, as declared by the Governor, occurring on or after October 20, 1991, and to the determination of base year values for the 1991–92 fiscal year and fiscal years thereafter.

(f) For the purposes of subdivision (e):

(1) Property is substantially damaged or destroyed if it sustains physical damage amounting to more than 50 percent of its value immediately before the disaster. Damage includes a diminution in the value of property as a result of restricted access caused by the disaster.

(2) Replacement property is comparable to the property substantially damaged or destroyed if it is similar in size, utility, and function to the property that it replaces, and if the fair market value of the acquired property is comparable to the fair market value of the replaced property prior to the disaster.

(g) For purposes of subdivision (a), the terms "purchased" and "change in ownership" do not include the purchase or transfer of real property between spouses since March 1, 1975, including, but not limited to, all of the following:

(1) Transfers to a trustee for the beneficial use of a spouse, or the surviving spouse of a deceased transferor, or by a trustee of such a trust to the spouse of the trustor.

(2) Transfers to a spouse that take effect upon the death of a spouse.

(3) Transfers to a spouse or former spouse in connection with a property settlement agreement or decree of dissolution of a marriage or legal separation.

(4) The creation, transfer, or termination, solely between spouses, of any coowner's interest.

(5) The distribution of a legal entity's property to a spouse or former spouse in exchange for the interest of the spouse in the legal entity in connection with a property settlement agreement or a decree of dissolution of a marriage or legal separation.

(h) (1) For purposes of subdivision (a), the terms "purchased" and "change in ownership" do not include the purchase or transfer of the principal residence of the transferor in the case of a purchase or transfer between parents and their children, as defined by the Legislature, and the purchase or transfer of the first one million dollars (\$1,000,000) of the full cash value of all other real property between parents and their children, as defined by the Legislature. This subdivision applies to both voluntary transfers and transfers resulting from a court order or judicial decree.

(2) (A) Subject to subparagraph (B), commencing with purchases or transfers that occur on or after the date upon which the measure adding this paragraph becomes effective, the exclusion established by paragraph (1) also applies to a purchase or transfer of real property between grandparents and their grandchild or grandchildren, as defined by the Legislature, that otherwise qualifies under paragraph (1), if all of the parents of that grandchild or those grandchildren, who qualify as the children of the grandparents, are deceased as of the date of the purchase or transfer.

(B) A purchase or transfer of a principal residence shall not be excluded pursuant to subparagraph (A) if the transferee grandchild or grandchildren also received a principal residence, or interest therein, through another purchase or transfer that was excludable pursuant to paragraph (1). The full cash value of any real property, other than a principal residence, that was transferred to the grandchild or grandchildren pursuant to a purchase or transfer that was excludable pursuant to paragraph (1), and the full cash value of a principal residence that fails to qualify for exclusion as a result of the preceding sentence, shall be included in applying, for purposes of subparagraph (A), the one-million-dollar (\$1,000,000) full cash value limit specified in paragraph (1).

(i) (1) Notwithstanding any other provision of this section, the Legislature shall provide with respect to a qualified contaminated property, as defined in paragraph (2), that either, but not both, of the following apply:

(A) (i) Subject to the limitation of clause (ii), the base year value of the qualified contaminated property, as adjusted as authorized by subdivision (b), may be transferred to a replacement property that is acquired or newly constructed as a replacement for the qualified contaminated property, if the replacement real property has a fair market value that is equal to or less than the fair market value of the qualified contaminated property if that property were not contaminated and, except as otherwise provided by this clause, is located within the same county. The base year value of the qualified contaminated property may be transferred to a replacement real property located within another county if the board of supervisors of that other county has, after consultation with the affected local agencies within that county, adopted a resolution authorizing an intercounty transfer of base year value as so described.

(ii) This subparagraph applies only to replacement property that is acquired or newly constructed within five years after ownership in the qualified contaminated property is sold or otherwise transferred.

(B) In the case in which the remediation of the environmental problems on the qualified contaminated property requires the destruction of, or results in substantial damage to, a structure located on that property, the term "new construction" does not include the repair of a substantially damaged structure, or the construction of a structure replacing a destroyed structure on the qualified contaminated property, performed after the remediation of the environmental problems on that property, provided that the repaired or replacement structure is similar in size, utility, and function to the original structure.

(2) For purposes of this subdivision, "qualified contaminated property" means residential or nonresidential real property that is all of the following:

(A) In the case of residential real property, rendered uninhabitable, and in the case of nonresidential real property, rendered unusable, as the result of either environmental problems, in the nature of and including, but not limited to, the presence of toxic or hazardous materials, or the remediation of those environmental problems, except where the existence of the environmental problems was known to the owner, or to a related individual or entity as described in paragraph (3), at the time the real property was acquired or constructed. For purposes of this subparagraph, residential real property is "uninhabitable" if that property, as a result of health hazards caused by or associated with the environmental problems, is unfit for human habitation, and nonresidential real property is "unusable" if that property, as a result of health hazards caused by or associated with the environmental problems, is unhealthy and unsuitable for occupancy.

(B) Located on a site that has been designated as a toxic or environmental hazard or as an environmental

cleanup site by an agency of the State of California or the federal government.

(C) Real property that contains a structure or structures thereon prior to the completion of environmental cleanup activities, and that structure or structures are substantially damaged or destroyed as a result of those environmental cleanup activities.

(D) Stipulated by the lead governmental agency, with respect to the environmental problems or environmental cleanup of the real property, not to have been rendered uninhabitable or unusable, as applicable, as described in subparagraph (A), by any act or omission in which an owner of that real property participated or acquiesced.

(3) It shall be rebuttably presumed that an owner of the real property participated or acquiesced in any act or omission that rendered the real property uninhabitable or unusable, as applicable, if that owner is related to any individual or entity that committed that act or omission in any of the following ways:

(A) Is a spouse, parent, child, grandparent, grandchild, or sibling of that individual.

(B) Is a corporate parent, subsidiary, or affiliate of that entity.

(C) Is an owner of, or has control of, that entity.

(D) Is owned or controlled by that entity.

If this presumption is not overcome, the owner shall not receive the relief provided for in subparagraph (A) or (B) of paragraph (1). The presumption may be overcome by presentation of satisfactory evidence to the assessor, who shall not be bound by the findings of the lead governmental agency in determining whether the presumption has been overcome.

(4) This subdivision applies only to replacement property that is acquired or constructed on or after January 1, 1995, and to property repairs performed on or after that date.

(j) Unless specifically provided otherwise, amendments to this section adopted prior to November 1, 1988, are effective for changes in ownership that occur, and new construction that is completed, after the effective date of the amendment. Unless specifically provided otherwise, amendments to this section adopted after November 1, 1988, are effective for changes in ownership that occur, and new construction that is completed, on or after the effective date of the amendment.

(Subdivision (c) amended June 5, 2018, by Prop. 72. Res.Ch. 1, 2018. Subd. (h) inoperative February 16, 2021, pursuant to Section 2.1. Other Source: Entire Sec. 2 was last amended June 8, 2010, by Prop. 13; Res.Ch. 115, 2008.)

SEC. 2.1. (a) Limitation on Property Tax Increases on Primary Residences for Seniors, the Severely Disabled, Wildfire and Natural Disaster Victims, and Families. It is the intent of the Legislature in proposing, and the people in adopting, this section to do both of the following:

(1) Limit property tax increases on primary residences by removing unfair location restrictions on homeowners who are severely disabled, victims of wildfires or other natural disasters, or seniors over 55 years of age that need to move closer to family or medical care, downsize, find a home that better fits their needs, or replace a damaged home and limit damage from wildfires on homes through dedicated funding for fire protection and emergency response.

(2) Limit property tax increases on family homes used as a primary residence by protecting the right of parents and grandparents to pass on their family home to their children and grandchildren for continued use as a primary residence, while eliminating unfair tax loopholes used by East Coast investors, celebrities, wealthy non-California residents, and trust fund heirs to avoid paying a fair share of property taxes on vacation homes, income properties, and beachfront rentals they own in California.

(b) Property Tax Fairness for Seniors, the Severely Disabled, and Victims of Wildfire and Natural Disasters. Notwithstanding any other provision of this Constitution or any other law, beginning on and after April 1, 2021, the following shall apply:

(1) Subject to applicable procedures and definitions as provided by statute, an owner of a primary residence who is over 55 years of age, severely disabled, or a victim of a wildfire or natural disaster may transfer the taxable value of their primary residence to a replacement primary residence located anywhere in this state, regardless of the location or value of the replacement primary residence, that is purchased or newly constructed as that

person's principal residence within two years of the sale of the original primary residence.

(2) For purposes of this subdivision:

(A) For any transfer of taxable value to a replacement primary residence of equal or lesser value than the original primary residence, the taxable value of the replacement primary residence shall be deemed to be the taxable value of the original primary residence.

(B) For any transfer of taxable value to a replacement primary residence of greater value than the original primary residence, the taxable value of the replacement primary residence shall be calculated by adding the difference between the full cash value of the original primary residence and the full cash value of the replacement primary residence to the taxable value of the original primary residence.

(3) An owner of a primary residence who is over 55 years of age or severely disabled shall not be allowed to transfer the taxable value of a primary residence more than three times pursuant to this subdivision.

(4) Any person who seeks to transfer the taxable value of their primary residence pursuant to this subdivision shall file an application with the assessor of the county in which the replacement primary residence is located. The application shall, at minimum, include information comparable to that identified in paragraph (1) of subdivision (f) of Section 69.5 of the Revenue and Taxation Code, as that section read on January 1, 2020.

(c) Property Tax Fairness for Family Homes. Notwithstanding any other provision of this Constitution or any other law, beginning on and after February 16, 2021, the following shall apply:

(1) For purposes of subdivision (a) of Section 2, the terms "purchased" and "change in ownership" do not include the purchase or transfer of a family home of the transferor in the case of a transfer between parents and their children, as defined by the Legislature, if the property continues as the family home of the transferee. This subdivision shall apply to both voluntary transfers and transfers resulting from a court order or judicial decree. The new taxable value of the family home of the transferee shall be the sum of both of the following:

(A) The taxable value of the family home, subject to adjustment as authorized by subdivision (b) of Section 2, determined as of the date immediately prior to the date of the purchase by, or transfer to, the transferee.

(B) The applicable of the following amounts:

(i) If the assessed value of the family home upon purchase by, or transfer to, the transferee is less than the sum of the taxable value described in subparagraph (A) plus one million dollars (\$1,000,000), then zero dollars (\$0).

(ii) If the assessed value of the family home upon purchase by, or transfer to, the transferee is equal to or more than the sum of the taxable value described in subparagraph (A) plus one million dollars (\$1,000,000), an amount equal to the assessed value of the family home upon purchase by, or transfer to, the transferee, minus the sum of the taxable value described in subparagraph (A) and one million dollars (\$1,000,000).

(2) Paragraph (1) shall also apply to a purchase or transfer of the family home between grandparents and their grandchildren if all of the parents of those grandchildren, who qualify as children of the grandparents, are deceased as of the date of the purchase or transfer.

(3) Paragraphs (1) and (2) shall also apply to the purchase or transfer of a family farm. For purposes of this paragraph, any reference to a "family home" in paragraph (1) or (2) shall be deemed to instead refer to a "family farm."

(4) Beginning on February 16, 2023, and every other February 16 thereafter, the State Board of Equalization shall adjust the one million dollar (\$1,000,000) amount described in paragraph (1) for inflation to reflect the percentage change in the House Price Index for California for the prior calendar year, as determined by the Federal Housing Finance Agency. The State Board of Equalization shall calculate and publish the adjustments required by this paragraph.

(5) (A) Subject to subparagraph (B), in order to receive the property tax benefit provided by this section for the purchase or transfer of a family home, the transferee shall claim the homeowner's exemption or disabled veteran's exemption at the time of the purchase or transfer of the family home.

(B) A transferee who fails to claim the homeowner's exemption or disabled veteran's exemption at the time of the purchase or transfer of the family home may receive the property tax benefit provided by this section by claiming the homeowner's exemption or disabled veteran's exemption within one year of the purchase or transfer

of the family home and shall be entitled to a refund of taxes previously owed or paid between the date of the transfer and the date the transferee claims the homeowner's exemption or disabled veteran's exemption.

(d) Subdivision (h) of Section 2 shall apply to any purchase or transfer that occurs on or before February 15, 2021, but shall not apply to any purchase or transfer occurring after that date. Subdivision (h) of Section 2 shall be inoperative as of February 16, 2021.

(e) For purposes of this section:

(1) "Disabled veteran's exemption" means the exemption authorized by subdivision (a) of Section 4 of Article XIII.

(2) "Family farm" means any real property which is under cultivation or which is being used for pasture or grazing, or that is used to produce any agricultural commodity, as that term is defined in Section 51201 of the Government Code as that section read on January 1, 2020.

(3) "Family home" has the same meaning as "principal residence," as that term is used in subdivision (k) of Section 3 of Article XIII.

(4) "Full cash value" has the same meaning as defined in subdivision (a) of Section 2.

(5) "Homeowner's exemption" means the exemption provided by subdivision (k) of Section 3 of Article XIII.

(6) "Natural disaster" means the existence, as declared by the Governor, of conditions of disaster or extreme peril to the safety of persons or property within the affected area caused by conditions such as fire, flood, drought, storm, mudslide, earthquake, civil disorder, foreign invasion, or volcanic eruption.

(7) "Primary residence" means a residence eligible for either of the following:

(A) The homeowner's exemption.

(B) The disabled veteran's exemption.

(8) "Principal residence" as used in subdivision (b) has the same meaning as that term is used in subdivision (a) of Section 2.

(9) "Replacement primary residence" has the same meaning as "replacement dwelling," as that term is defined in subdivision (a) of Section 2.

(10) "Taxable value" means the base year value determined in accordance with subdivision (a) of Section 2 plus any adjustment authorized by subdivision (b) of Section 2.

(11) "Victim of a wildfire or natural disaster" means the owner of a primary residence that has been substantially damaged as a result of a wildfire or natural disaster that amounts to more than 50 percent of the improvement value of the primary residence immediately before the wildfire or natural disaster. For purposes of this paragraph, "damage" includes a diminution in the value of the primary residence as a result of restricted access caused by the wildfire or natural disaster.

(12) "Wildfire" has the same meaning as defined in subdivision (j) of Section 51177 of the Government Code, as that section read on January 1, 2020.

(Sec. 2.1 added Nov. 3, 2020, by Prop. 19. Res.Ch. 31, 2020. Effective December 16, 2020.)

SEC. 2.2. (a) Protection of Fire Services, Emergency Response, and County Services. It is the intent of the Legislature in proposing, and the people in adopting, this section and Section 2.3 to do both of the following:

(1) Dedicate revenue for fire protection and emergency response, address inequities in underfunded fire districts, ensure all communities are protected from wildfires, and safeguard the lives of millions of Californians.

(2) Protect county revenues and other vital local services.

(b) (1) The California Fire Response Fund is hereby created within the State Treasury.

(2) The County Revenue Protection Fund is hereby created within the State Treasury. Moneys in the County Revenue Protection Fund are continuously appropriated, without regard to fiscal year, for the purpose of reimbursing eligible local agencies that incur a negative gain, and paying the administrative costs of the California Department of Tax and Fee Administration, in accordance with Section 2.3. Moneys in the fund shall

only be expended as provided in Section 2.3.

(c) For purposes of the calculations required by Section 8 of Article XVI, moneys in the California Fire Response Fund and the County Revenue Protection Fund shall be deemed to be General Fund revenues which may be appropriated pursuant to Article XIII B.

(d) The Director of Finance shall do the following, as applicable:

(1) On or before September 1, 2022, and on or before each subsequent September 1 through September 1, 2027, calculate the additional revenues and savings that accrued to the state from the implementation of Section 2.1, including, but not limited to, any increase in state income tax revenues and net savings to the state arising from any reduction in the state's funding obligation under Section 8 of Article XVI, during the immediately preceding fiscal year ending on June 30. In making the calculation required by this paragraph, the Director of Finance shall use actual data or best available estimates where actual data is not available. The calculation shall be final and shall not be adjusted for any subsequent changes in the underlying data. The Director of Finance shall certify the results of the calculation to the Legislature and the Controller no later than September 1 of each year.

(2) On or before September 1, 2028, and each subsequent September 1 thereafter, calculate the additional revenues and savings that accrued to the state from the implementation of Section 2.1, including, but not limited to, any increase in state income tax revenues and net savings to the state arising from any reduction in the state's funding obligation under Section 8 of Article XVI during the immediately preceding fiscal year ending on June 30 by multiplying the amount from the immediately preceding fiscal year ending on June 30 by the rate of increase in property tax revenues allocated to local agencies in that fiscal year. In making the calculation required by this paragraph, the Director of Finance shall use actual data or best available estimates where actual data is not available. The calculation shall be final and shall not be adjusted for any subsequent changes in the underlying data. The Director of Finance shall certify the results of the calculation to the Legislature and the Controller no later than September 1 of each fiscal year.

(e) No later than September 15, 2022, and each subsequent September 15 thereafter, the Controller shall do both of the following:

(1) Transfer from the General Fund to the California Fire Response Fund an amount equal to 75 percent of the amount calculated by the Director of Finance pursuant to subdivision (d) for the applicable year.

(2) Transfer from the General Fund to the County Revenue Protection Fund an amount equal to 15 percent of the amount calculated by the Director of Finance pursuant to subdivision (d) for the applicable year. Moneys transferred to the County Revenue Protection Fund pursuant to this paragraph shall be used to reimburse eligible local agencies with a negative gain, as provided in Section 2.3.

(f) Moneys in the California Fire Response Fund shall be appropriated by the Legislature in each fiscal year exclusively for the purposes of this section and, except as otherwise provided in subdivision (g), shall not be appropriated for any other purpose. Moneys in the California Fire Response Fund may be used upon appropriation without regard to fiscal year and shall be used to expand fire suppression staffing, as set forth in paragraphs (1) to (4), inclusive, and not to supplant existing state or local funds utilized for those purposes.

(1) Twenty percent of the moneys in the California Fire Response Fund shall be appropriated to the Department of Forestry and Fire Protection to fund fire suppression staffing.

(2) Eighty percent of the moneys in the California Fire Response Fund shall be deposited in the Special District Fire Response Fund, which is hereby created as a subaccount within the California Fire Response Fund, and appropriated to special districts that provide fire protection services in accordance with the following criteria:

(A) Fifty percent of the amount described in this paragraph shall be used to fund fire suppression staffing in underfunded special districts that provide fire protection services, were formed after July 1, 1978, and employ full-time or full-time-equivalent station-based personnel who are immediately available to comprise at least 50 percent of an initial full alarm assignment.

(B) Twenty-five percent of the amount described in this paragraph shall be used to fund fire suppression staffing in special districts that provide fire protection services, were formed before July 1, 1978, are underfunded due to a disproportionately low share of property tax revenue and an increase in service level demands since July 1,

1978, and employ full-time or full-time-equivalent station-based personnel who are immediately available to comprise at least 50 percent of an initial full alarm assignment.

(C) Twenty-five percent of the amount described in this paragraph shall be used to fund fire suppression staffing in underfunded special districts that provide fire protection services and employ full-time or full-time-equivalent station-based personnel who are immediately available to comprise at least 30 percent but less than 50 percent of an initial full alarm assignment.

(3) In determining whether a special district that provides fire protection services is underfunded for purposes of paragraph (2), the Legislature shall take into account the following factors, in order of priority:

(A) The degree to which the special district's property tax revenue is insufficient to sustain adequate fire suppression, as measured against the population density, size of the service area, and number of taxpayers within the boundaries of the special district.

(B) Whether the special district, upon formation, received a property tax allocation in accordance with Chapter 282 of the Statutes of 1979.

(C) Geographic diversity.

(4) The allocation of moneys to a special district that qualifies pursuant to paragraph (2) shall be in the form of grants, with a term of not less than 10 years, in order to ensure that the special district can engage in responsible budgeting and sustain adequate fire suppression services over the long term.

(g) Notwithstanding subdivision (f), if in any fiscal year after the first fiscal year for which moneys are transferred from the General Fund to the California Fire Response Fund pursuant to this section the amount transferred exceeds the amount transferred in the previous fiscal year by more than 10 percent, the Controller shall not transfer the amount in excess of that 10 percent, which shall be available for appropriation from the General Fund for any purpose.

(Sec. 2.2 added Nov. 3, 2020, by Prop. 19. Res.Ch. 31, 2020. Effective December 16, 2020.)

SEC. 2.3. (a) Each county shall annually, no later than the date specified by the California Department of Tax and Fee Administration by regulations adopted pursuant to this section, determine the gain for the county and for each local agency in the county resulting from implementation of Section 2.1 by adding the following amounts:

(1) The revenue increase resulting from the sale and reassessment of original primary residences for outbound intercounty transfers pursuant to subdivision (b) of Section 2.1.

(2) The revenue decrease, which shall be expressed as a negative number, resulting from the transfer of taxable values of original primary residences located in other counties to replacement primary residences located within the county for inbound intercounty transfers pursuant to subdivision (b) of Section 2.1.

(3) The revenue increase resulting from subdivision (c) of Section 2.1.

(b) A county or any local agency in the county that has a positive gain determined pursuant to subdivision (a) shall not be eligible to receive reimbursement from the County Revenue Protection Fund. A county or any local agency in the county that has a negative gain determined pursuant to subdivision (a) shall be deemed to be an eligible local agency entitled to a reimbursement from the County Revenue Protection Fund.

(c) The California Department of Tax and Fee Administration shall determine each eligible local agency's aggregate gain every three years, based on the amounts determined pursuant to subdivision (a) for each of those three years, and provide reimbursement to each eligible local agency with a negative gain from the moneys in the County Revenue Protection Fund equal to that amount. If there are insufficient moneys in that fund to cover the total amount of reimbursements under this section, the California Department of Tax and Fee Administration shall allocate a pro rata share of the moneys in the fund to each eligible local agency based on the amount of the eligible local agency's reimbursement relative to the total amount of reimbursements under this section.

(d) At the end of each three-year period described in subdivision (c), after the California Department of Tax and Fee Administration has reimbursed each eligible local agency that has experienced a negative gain during that three-year period, the Controller shall transfer the remaining balance, if any, in the County Revenue Protection

Fund to the General Fund, to be available for appropriation for any purpose.

(e) The California Department of Tax and Fee Administration shall promulgate regulations to implement this section pursuant to the rulemaking provisions of the Administrative Procedure Act (Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code), as may be amended from time to time by the Legislature, or any successor to those provisions.

(f) For purposes of this section and Section 2.2, an "eligible local agency" is a county, a city, a city and county, a special district, or a school district as determined pursuant to subdivision (o) of Section 42238.02 of the Education Code as it read on January 8, 2020, that has a negative gain as determined pursuant to this section.

(Sec. 2.3 added Nov. 3, 2020, by Prop. 19. Res.Ch. 31, 2020. Effective December 16, 2020.)

SEC. 3. (a) Any change in state statute which results in any taxpayer paying a higher tax must be imposed by an act passed by not less than two-thirds of all members elected to each of the two houses of the Legislature, except that no new ad valorem taxes on real property, or sales or transaction taxes on the sales of real property may be imposed.

(b) As used in this section, "tax" means any levy, charge, or exaction of any kind imposed by the State, except the following:

(1) A charge imposed for a specific benefit conferred or privilege granted directly to the payor that is not provided to those not charged, and which does not exceed the reasonable costs to the State of conferring the benefit or granting the privilege to the payor.

(2) A charge imposed for a specific government service or product provided directly to the payor that is not provided to those not charged, and which does not exceed the reasonable costs to the State of providing the service or product to the payor.

(3) A charge imposed for the reasonable regulatory costs to the State incident to issuing licenses and permits, performing investigations, inspections, and audits, enforcing agricultural marketing orders, and the administrative enforcement and adjudication thereof.

(4) A charge imposed for entrance to or use of state property, or the purchase, rental, or lease of state property, except charges governed by Section 15 of Article XI.

(5) A fine, penalty, or other monetary charge imposed by the judicial branch of government or the State, as a result of a violation of law.

(c) Any tax adopted after January 1, 2010, but prior to the effective date of this act, that was not adopted in compliance with the requirements of this section is void 12 months after the effective date of this act unless the tax is reenacted by the Legislature and signed into law by the Governor in compliance with the requirements of this section.

(d) The State bears the burden of proving by a preponderance of the evidence that a levy, charge, or other exaction is not a tax, that the amount is no more than necessary to cover the reasonable costs of the governmental activity, and that the manner in which those costs are allocated to a payor bear a fair or reasonable relationship to the payor's burdens on, or benefits received from, the governmental activity.

(Sec. 3 amended Nov. 2, 2010, by Prop. 26. Initiative measure.)

Section 4. Cities, Counties and special districts, by a two-thirds vote of the qualified electors of such district, may impose special taxes on such district, except ad valorem taxes on real property or a transaction tax or sales tax on the sale of real property within such City, County or special district.
