

River Delta Community Day

2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Contact Information

School Name	River Delta Community Day
Street	160 Courtland High School Ln.
City, State, Zip	Courtland, CA 95615
Phone Number	(916) 775-1771
Principal	Dr. MJ Kiwan Gómez, Principal
Email Address	mjkiwangomez@rdusd.org
School Website	https://cds-rdusd-ca.schoolloop.com/
County-District-School (CDS) Code	34674130107383

2023-24 District Contact Information

District Name	River Delta Joint Unified
Phone Number	(707) 374-1700
Superintendent	Katherine Wright
Email Address	kwright@rdusd.org
District Website	http://www.riverdelta.org/

2023-24 School Description and Mission Statement

River Delta Community Day School realizes that every student's learning and social development needs are assessed individually. Therefore, staff will provide a non-threatening learning environment that enables students to reach their academic goals through flexible, individualized instruction. Staff recognizes the importance respect and dignity play in molding positive self-respect and self-worth. Students will be assisted in identifying their strengths, maximizing their potential, and encouraged to become productive members of our society.

The purpose of community day school is to provide an education setting for students who have been expelled from a school, students referred by a school attendance review board or probation, and other youth at high risk.

The River Delta Community Day School provides students the opportunity for challenging curriculum and individual instructional strategies to meet the students' learning abilities and modalities, and gets students ready for "real world connections." Additionally, the River Delta Community Day School focuses on the development of social skills, emotional development, and resiliency. Our students are expected to operate in an environment of high expectations for staff and students.

Located in Courtland, River Delta Community School is an alternative educational setting for students in grades 7–12 who have been expelled from the school district, referred by the Probation Department or the School Attendance Review Board, or who are referred by another district-level process. We provide an opportunity for students to complete courses required for middle and high school graduation; a program of instruction that emphasizes occupational orientation, or a program that offers guidance services to meet students' special needs; a program designed to meet each student's educational needs, with classroom instruction supplemented by independent study, regional occupational programs, work-study, career guidance, and/or job placement services.

Due to the uniqueness of our student's families and lifestyles, we expect our program to develop self-confidence, a sense of responsibility, and tolerance and respect for a variety of viewpoints. Students are encouraged to understand and obey laws and regulations, to manage money wisely, and to engage in constructive recreational activities.

The school population and profile undergo constant change, as we intake and exit students on an as-needed basis.

2023-24 School Description and Mission Statement

About this School

2022-23 Student Enrollment by Grade Level

Grade Level	Number of Students
-------------	--------------------

2022-23 Student Enrollment by Student Group

Student Group	Percent of Total Enrollment
---------------	-----------------------------

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	0.60	54.55	105.00	84.84	228366.10	83.12
Intern Credential Holders Properly Assigned	0.00	0.00	3.90	3.17	4205.90	1.53
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	0.00	0.00	8.50	6.86	11216.70	4.08
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	0.00	0.00	0.00	0.00	12115.80	4.41
Unknown	0.50	45.45	6.30	5.11	18854.30	6.86
Total Teaching Positions	1.10	100.00	123.80	100.00	274759.10	100.00

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)			97.00	82.28	234405.20	84.00
Intern Credential Holders Properly Assigned			5.00	4.31	4853.00	1.74
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)			8.80	7.50	12001.50	4.30
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)			0.70	0.59	11953.10	4.28
Unknown			6.20	5.30	15831.90	5.67
Total Teaching Positions			117.80	100.00	279044.80	100.00

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	0.00	
Misassignments	0.00	
Vacant Positions	0.00	
Total Teachers Without Credentials and Misassignments	0.00	

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	
Local Assignment Options	0.00	
Total Out-of-Field Teachers	0.00	

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	0	
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0	

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

School Facility Conditions and Planned Improvements

Although the building is older, it is well-kept by staff, students, and district maintenance staff with established daily cleaning schedules. District maintenance staff ensures that repairs necessary to keep the school in good working order are completed promptly. The classroom and bathroom are cleaned daily. The custodial staff is quick to respond to emergency clean-ups both in the building and on the playground, they monitor the building, grounds, and equipment for safety issues. A district gardener helps maintain the grounds.

Unit D which was built in 1957 is located on the same property as Bates Elementary School. This building is approximately 2,369 square feet. The Community Day School is housed in the building. A wall was built to divide the area into two separate classroom/office areas. The Community Day School utilizes approximately 1,184 square feet of the building. The building was re-roofed in 2003 and a new HVAC unit was installed. The windows in the building are the old steel frame style and will eventually need replacing. Electrical service to the building is provided by SMUD. The Courtland community does not have utility systems for water supply. The site has two wells, one for drinking water and one for irrigation.

The district participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis to assist school districts with expenditures for major school building components. Typically this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems. Currently, there are no deferred maintenance projects scheduled. Any future needs will be addressed with the facility master plan. This will aid in the planning process for the projects needed.

Maintenance and Repair Process:

We use a district-wide software solution called SchoolDude for all maintenance and repair requests. This system allows multiple requesters across all school sites to identify and request repairs or maintenance at their school site. This system is monitored daily for new requests, progress reporting, and work order completion.

Cleaning Process:

We provide regular cleaning of all surfaces with general cleaning agents and clearly outline which surfaces need to be disinfected. Soap and towels or hand dryers are available at every sink. Floors are swept on a daily basis and mopped regularly or as needed. We use the International Sanitary Supply Association (ISSA) Cleaning Standards for measuring cleanliness for all facilities. We provide an internal audit twice a year for each school site to ensure the standard of cleanliness is met.

Deferred Maintenance:

Deferred maintenance is captured in our SchoolDude software program. Once a deferred maintenance project or repair is identified, it is quantified (budget estimates), and prioritized as a future maintenance project, capital renewal, or a replacement project according to the urgency of need and significance within the district.

Year and month of the most recent FIT report

November 2021

School Facility Conditions and Planned Improvements

System Inspected	Rate Good	Rate Fair	Rate Poor	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer			X	HVAC Systems are old and in need of constant repair. Need to replace many of the units as they are 20 years old or older.
Interior: Interior Surfaces			X	Paint is chipping and worn. Cabinets and counter tops are broken and or cracked. We continue to upgrade as possible.
Cleanliness: Overall Cleanliness, Pest/Vermin Infestation		X		Continue to provide the facility with a consistent cleaning processes.
Electrical		X		The electrical system is original to the building and parts are becoming unavailable.
Restrooms/Fountains: Restrooms, Sinks/ Fountains			X	Original restroom and fountain are outdated but functional. Some are need of major repairs or upgrade to meet current ADA standards.
Safety: Fire Safety, Hazardous Materials			X	Some of the Fire Systems are in constant need of repair and do not meet today's standards.
Structural: Structural Damage, Roofs			X	Outside walls and roofs are leaking and need to be resurfaced or replaced.
External: Playground/School Grounds, Windows/ Doors/Gates/Fences			X	Windows are old single pane windows that leak and or do not retain heat or air conditioning.

Overall Facility Rate

Exemplary	Good	Fair	Poor
			X

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23
English Language Arts/Literacy (grades 3-8 and 11)					47	46
Mathematics (grades 3-8 and 11)					33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23
Science (grades 5, 8 and high school)			24.88	18.69	29.47	30.29

2022-23 CAASPP Test Results in Science by Student Group

This table displays CAASPP test results in Science by student group for students grades five, eight, and High School. Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Students with Disabilities					

2022-23 Career Technical Education Programs

Career Technical Education courses are not available at River Delta Community Day School. The students have an opportunity to do some college and career exploration guided and orchestrated by staff.

2022-23 Career Technical Education (CTE) Participation

Measure	CTE Program Participation
Number of Pupils Participating in CTE	
Percent of Pupils that Complete a CTE Program and Earn a High School Diploma	
Percent of CTE Courses that are Sequenced or Articulated Between the School and Institutions of Postsecondary Education	

Course Enrollment/Completion

This table displays the course enrollment/completion of University of California (UC) and/or California State University (CSU) admission requirements.

UC/CSU Course Measure	Percent
2022-23 Pupils Enrolled in Courses Required for UC/CSU Admission	
2021-22 Graduates Who Completed All Courses Required for UC/CSU Admission	

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Parents are invited to participate, volunteer in the classroom, and chaperone field trips. Teachers also maintain an ongoing communication with the parents. Please contact the principal at 916-775-1771 for further details on how to offer your time at our school. In some cases, staff reach out to parents to plan for school events.

C. Engagement

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school Dropout Rates;
- High school Graduation Rates; and
- Chronic Absenteeism

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2020-21	School 2021-22	School 2022-23	District 2020-21	District 2021-22	District 2022-23	State 2020-21	State 2021-22	State 2022-23
Dropout Rate				2.8	0.6	2.2	9.4	7.8	8.2
Graduation Rate				92.8	97.1	95.6	83.6	87	86.2

2022-23 Graduation Rate by Student Group (Four-Year Cohort Rate)

This table displays the 2022-23 graduation rate by student group. For information on the Four-Year Adjusted Cohort Graduation Rate (ACGR), visit the CDE Adjusted Cohort Graduation Rate web page at www.cde.ca.gov/ds/ad/acgrinfo.asp.

Student Group	Number of Students in Cohort	Number of Cohort Graduates	Cohort Graduation Rate

2023-24 School Safety Plan

River Delta Community Day School has an established safety team that collaborates with local law enforcement, fire, and emergency management agencies. We meet with the team during our staff meetings to develop or revise the safety plan to ensure effectiveness. After the plan is revised, students and staff are trained on how to use the plan. Exercises and drills are then conducted to test the effectiveness and revisions of the plan are done depending on the turnout of the exercises and drills. A school safety plan consists of three components, Prevention, Response, and Recovery. Each component is vital to the effectiveness of the overall plan.

The school safety plan also provides a climate that promotes respect for diversity, personal and social responsibility, effective interpersonal and communication skills, self-esteem, anger management, and conflict resolution. We provide disciplinary policies and procedures that contain prevention strategies as well as behavioral expectations and consequences for violations. We provide a curriculum that emphasizes prevention and alternatives to violence. This includes multicultural education, character/value education, and conflict resolution. We implement parental involvement strategies that ensure parental support and reinforcement of the school's rules. We provide an assessment of the school's physical environment, including a risk management analysis and development of ground security measures such as procedures for the closing of campus to outsiders, securing the campus perimeter, and protecting buildings against vandalism. We provide staff training in violence prevention and intervention techniques. In addition, we have a working relationship with the Sacramento County Sheriff's Department and California Highway Patrol, whereby they make themselves available to be on campus regularly and talk with students.

The following conditions provide our students with a safe school environment before, during, and after school:

- Classroom and break supervision by a staff member
- All visitors are required to check in at the office before accessing the classroom Fire and Lockdown twice a year.

2023-24 School Safety Plan

- Lockdown procedures in place and practiced.

2020-21 Secondary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts				
Mathematics				
Science				
Social Science				

2021-22 Secondary Average Class Size and Class Size Distribution

This table displays the 2021-22 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts				
Mathematics				
Science				
Social Science				

2022-23 Secondary Average Class Size and Class Size Distribution

This table displays the 2022-23 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students

This table displays the percent of student in AP courses at this school.

Percent of Students in AP Courses

This table displays the number of AP courses offered at this school where there are student course enrollments of at least one student.

Subject	Number of AP Courses Offered
Computer Science	
English	
Fine and Performing Arts	
Foreign Language	
Mathematics	
Science	
Social Science	
Total AP Courses Offered Where there are student course enrollments of at least one student.	

Professional Development

The District provides professional development training each year. The primary areas of focus of staff development have been raising student achievement and teaching to Common Core State Standards, Edgenuity online program, and distance learning. Professional development is delivered primarily through attendance at workshops, attendance at conferences, or virtual conferences. Our teachers are also supported and mentored during implementation through peer coaching and teacher-administration meetings. Teachers at Community Day School are provided with additional ongoing training/coaching to enhance their daily lessons. Additional training is provided when needed.

Professional Development

RDUSD's districtwide professional development occurred in August 2022 and spring of 2023. Our PD in August 2022 was Diversity, Equity and Inclusion, Academic Conversations for teachers. Additional PD was provided by health providers and administrators. Special Educations staff were provided professional development on utilization of SEIS and procedural best practices. For General Education teachers the district office provided support with technology and differentiated instruction strategies. In spring of 2023 the PD for certificated staff focused on integrated English Language Development standards.

This table displays the number of school days dedicated to staff development and continuous improvement.

Subject	2021-22	2022-23	2023-24
Number of school days dedicated to Staff Development and Continuous Improvement	1.5
