**Conclusion**

Based on the financial and performance audits, and other material shared and reviewed during past meetings, the Committee has concluded that expenditures in Fiscal Year 2020-21 have only been “for the construction, reconstruction, rehabilitation, or replacement of school facilities, including the furnishing and equipping of school facilities, or the acquisition or lease of real property for school facilities” and that no funds were used for any “teacher and administrator salaries and other school operating expenses”, and not in accord with Measures J and K.
