INDEPENDENT AUDITOR'S REPORT

Board of Education
River Delta Unified School District
Rio Vista, California

We have conducted a performance audit of the River Delta Unified School District (the "District") Measure J General Obligation Bond funds for the year ended June 30, 2022.

We conducted our performance audit in accordance with *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our conclusion based on our audit objectives. We believe that the evidence obtained provides a reasonable basis for our findings and conclusions based on our audit objectives.

Our audit was limited to the objectives listed on page 3 of this report which includes determining the compliance with the performance requirements for the Measure J General Obligation Bonds under the applicable provisions of Section 1(b)(3)(C) of Article XIII A of the California Constitution and Proposition 39 as they apply to the bonds and the net proceeds thereof. Management is responsible for River Delta Unified School District's compliance with those requirements.

Solely to assist us in planning and performing our performance audit, we obtained an understanding of the internal controls of River Delta Unified School District to determine the audit procedures that are appropriate for the purpose of providing a conclusion on the District's compliance with the requirements of Proposition 39, as specified by Section 1(b)(3)(C) of Article XIII A of the California Constitution, but not for the purpose of expressing an opinion on the effectiveness of internal control. Accordingly, we do not express any assurance on the internal control.

The results of our tests indicated that, in all significant respects, River Delta Unified School District expended Measure J General Obligation Bond funds for year ended June 30, 2022 only for the specific projects developed by the District's Board of Education and approved by the voters, in accordance with the requirements of Proposition 39, as specified by Section 1(b)(3)(C) of Article XIII A of the California Constitution.

OBJECTIVES, SCOPE, METHODOLOGY AND CONCLUSIONS

OBJECTIVES

The objective of our performance audit was to determine that the District expended Measure J General Obligation Bond funds for the period July 1, 2021 to June 30, 2022 only for the purposes approved by the voters and only on the specific projects developed by the District's Board of Education, in accordance with the requirements of Proposition 39, as specified by Section 1(b)(3)C of Article XIII A of the California Constitution.

SCOPE

The District provided to us a list of all Measure J General Obligation Bond project expenditures for period July 1, 2021 to June 30, 2022 (the "List"). A total of 76 transactions were identified, representing \$377,854 in expenditures from July 1, 2021 through June 30, 2022.

METHODOLOGY

We performed the following procedures to the List of Measure J General Obligation Bond project expenditures for the period July 1, 2021 to June 30, 2022:

- Verified the mathematical accuracy of the List.
- Reconciled the list to total bond expenditures as reported by the District in the District's audited Measure J General Obligation Bonds financial statements for the period July 1, 2021 to June 30, 2022.
- Selected a sample of 10 expenditures totaling \$217,903. The sample was selected to provide a representation across specific construction projects, vendors and expenditure amounts. The sample represented approximately 58% of the total dollar value of expenditures. Verified that the expenditures properly charged to the location indicated, were properly coded as to the nature of the expenditure and were made for the acquisition and construction of school facilities, including the furnishing and equipping of school facilities.

CONCLUSION

The results of our tests indicated that, in all significant respects, River Delta Unified School District expended Measure J General Obligation Bond funds for the period July 1, 2021 to June 30, 2022 only for the specific projects developed by the District's Board of Education and approved by the voters, in accordance with the requirements of Proposition 39, as specified by Section 1(b)(3)(C) of Article XIII A of the California Constitution.
