## 2022-2023 School Accountability Report Card

(Published During the 2023-2024 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2023-24 School Description and Mission Statement

The River Delta Elementary/High School was established in November 1989 as an alternative diploma program. The program serves students in grades 3-12. Our school program is designed to provide Independent Study for students who need an alternative to the traditional elementary and high school setting. The school has 2 classrooms: one located in the southern (Rio Vista) areas of the district and one located in the northern (Clarksburg) end. The staff of River Delta Elementary/High School consists of an administrator, two full time teachers, and one part-time secretary. Student/teacher ratio for the high school and elementary school programs is 18 to 1. Students meet weekly usually for one hour or more with their teacher; during this time, the students work is evaluated and assignments are made for the following week. This time is also used for counseling and assessment.

The staff at River Delta Elementary/High School believes all students have the ability and right to learn based on varied styles, rates and modes. We endeavor to provide alternative educational experiences that are designed to build positive character traits in an environment that is tailored to address learning needs and styles that may be outside traditional educational formats. Our ultimate goal is to provide all students the necessary tools to become successful and productive citizens in our learning communities.

## About this School

### 2022-23 Student Enrollment by Grade Level

Grade Level	Number of Students
Grade 5	3
Grade 8	2
Grade 10	3
Grade 11	11
Grade 12	9
Total Enrollment	28

### 2022-23 Student Enrollment by Student Group

Student Group	Percent of Total Enrollment
Female	53.6%
Male	46.4%
Black or African American	7.1%
Hispanic or Latino	32.1%
Native Hawaiian or Pacific Islander	3.6%
Two or More Races	10.7%
White	42.9%
English Learners	7.1%
Homeless	3.6%
Socioeconomically Disadvantaged	67.9%
Students with Disabilities	14.3%

#### A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

## 2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	0.00	0.00	105.00	84.84	228366.10	83.12

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	0.30	16.23	97.00	82.28	234405.20	84.00

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	0.00	0.00
Misassignments	0.00	0.00
Vacant Positions	0.00	0.00
<b>Total Teachers Without Credentials and Misassignments</b>	0.00	0.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

## Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	0.00
Local Assignment Options	0.00	0.00
<b>Total Out-of-Field Teachers</b>	0.00	0.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

## Class Assignments

Indicator	2020-21	2021-22
<b>Misassignments for English Learners</b> (a percentage of all the classes with English learners taught by teachers that are misassigned)		0
<b>No credential, permit or authorization to teach</b> (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

## School Facility Conditions and Planned Improvements

The River Delta High/Elementary School's office is located on the Riverview Middle School campus. River Delta High/Elementary School has 2 classrooms: one located at Riverview and one located at Delta High School in Clarksburg. These campuses provides a safe, clean and supportive learning environment for students and staff. Students are seen weekly for at least one hour, in person or remotely. These individual sessions provide multiple opportunities for students and teacher to review student work, discuss future assignments and provide tutoring, as well as other support services when necessary. These appointments offer students supportive learning opportunities through the one-to-one ratio.

### Maintenance and Repair Process:

We use a district wide software solution called SchoolDude for all maintenance and repairs requests. This system allows multiple requesters across all school sites to identify and request repairs or maintenance at their school site. This system is monitored daily for new requests, progress reporting and work order completion.

### Cleaning Process

We provide regular cleaning of all surfaces with general cleaning agents and clearly outline which surfaces need to be disinfected. Soap and towels or hand dryers are available at every sink. Floors are swept on a daily basis and mopped regularly or as needed. We use the International Sanitary Supply Association (ISSA) Cleaning Standards for measuring cleanliness for all facilities. We provide an internal audit twice a year for each school site to ensure the standard of cleanliness is met.

### Deferred Maintenance:

Deferred maintenance is captured in our SchoolDude software program. Once a deferred maintenance project or repair is identified, it is quantified (budget estimates), and prioritized as a future maintenance project, capital renewal, or a replacement project according to the urgency of need and significance within the district.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

**Statewide Assessments**

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

**College and Career Ready**

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23
<b>English Language Arts/Literacy</b> (grades 3-8 and 11)	15	32	43	34	47	46
<b>Mathematics</b> (grades 3-8 and 11)	0	5	27	23	33	34

## 2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## B. Pupil Outcomes

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

## 2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

## 2023-24 Opportunities for Parental Involvement

Parental involvement is a cornerstone of our independent study program. Parents are required to accompany students to their introductory meeting, support student learning in their homes, and participate in school functions and activities. Parents are informed of student progress through report cards as well as frequent communication with the teacher. Parents are frequently notified about student progress, as well as in the event that a student falls behind on an assignment. This year, River Delta began a School Site Council for the first time. The SSC consisted of the principal, both teachers, secretary, 2 parents, and a student volunteer. The RDHES SSC met quarterly in 2022-23.

### C. Engagement

#### State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school Dropout Rates;
- High school Graduation Rates; and
- Chronic Absenteeism

## 2023-24 School Safety Plan

Safe schools are orderly and purposeful places where students and staff are free to learn, teach, and work without the threat of physical and psychological harm. River Delta High and Elementary School promotes educationally and psychologically healthy environments for all students and staff. We recognizes that there are comprehensive broad factors directly related to a safe school environment such as the school programs, facilities, staff, parents, students, and the community. We further recognizes that safe school practices make major contributions to academic and school improvement efforts. Although keeping children safe requires a community-wide effort, schools are an important component in this undertaking.

## Fiscal Year 2022-23 Types of Services Funded

Our program does not receive categorical funding. The district does, however, support our program by providing district personnel as well as support staff and facilities. Students have access to the district counseling services as well as the ability to meet with the high school guidance counselors located at Rio Vista High School and Delta High School. Staff is also required to attend professional development activities which occur throughout the school year at all of our school programs.

## Professional Development

RDUSD's districtwide professional development occurred in August 2022 and spring of 2023. Our PD in August 2022 was Diversity, Equity and Inclusion, Academic Conversations for teachers. Additional PD was provided by health providers and administrators. Special Educations staff were provided professional development on utilization of SEIS and procedural best practices. For General Education teachers the district office provided support with technology and differentiated instruction strategies. In spring of 2023 the PD for certificated staff focused on integrated English Language Development standards.

## Professional Development

River Delta HES also implemented a school-wide Positive Behavior Incentives and Supports (PBIS) plan to support student behaviors and improve the culture on campus. These strategies were discussed and used with students who needed additional supports for behavior and study/work habits.

This table displays the number of school days dedicated to staff development and continuous improvement.
