

WALNUT GROVE ELEMENTARY FIRE ALARM REPLACEMENT

JANUARY 2023

PROJECT DESCRIPTION

The goal of this project is to provide a new fire alarm system at Walnut Grove Elementary School to meet all current codes to keep students and staff safe as required by the Division of the State Architect (DSA). The fire alarm will be installed during the school year during off hours (after school and on weekends) to ensure the educational environment is minimally impacted.

UPDATE:

- Construction began January 3rd, 2023.
- Building A- Installation of Raceways and Wire ongoing.
- Building B- Installation of Raceways and wire substantially complete. Installation of Devices ongoing.
- Anticipated Completion April 2023.
