

# RIO VISTA HIGH SCHOOL NEW CLASSROOM BUILDING

AUGUST 2023

RIVER DELTA UNIFIED  
SCHOOL DISTRICT

*Creating Excellence To Ensure That All Students Learn*

## SCOPE

NEW BUILDING FOR  
CULINARY & SCIENCE  
CLASSROOMS

## BUDGET

PROJECT BUDGET:  
\$3,669,705

## PROJECT DESCRIPTION

The goal of this project is to provide two new classrooms at RVHS: a culinary arts classroom and a science classroom. The current culinary arts portable will be replaced with a permanent building which will have space and equipment for students to learn commercial cooking as well as residential stations for 32 students. The new 3,500 sf building will also have a new science classroom with lab stations, sinks, gas turrets and fume hoods to perform

experiments.

### UPDATE:

- Construction began July 2023
- Soil lime treatment complete
- Site work in progress
